

President's Message  
Rachael Price  
KAFCS President

Greetings KAFCS Members!

Can you believe that we are already two months into 2020? April will be here before we know it, which means our annual meeting is right around the corner. Our 98<sup>th</sup> Annual Meeting will be held April 1<sup>st</sup> and 2<sup>nd</sup> at Berry Hill Mansion in Frankfort. The theme this year is "Telling Our FCS Story."

*My story:* Family and Consumer Sciences has been instrumental in my career and has also shaped me into who I am as an individual.

As we prepare for our annual meeting, I would like to challenge you to think of your own FCS story. Think about why you were first drawn to Family and Consumer Sciences. Perhaps you have mentors, friends, or colleagues that helped mold your personal story. How has your story changed or morphed over the years?

I would like to encourage all our members to attend our annual meeting and learn how to tell your FCS story. Our annual meeting is an opportunity to not only learn from others, but to make connections with other FCS professionals from across the state. Family and Consumer Sciences educators, extension professionals and administration attend, which makes our annual meeting a unique chance

to develop a diverse perspective on current FCS topics. It is these connections and diverse perspectives that makes KAFCS unique.

I hope that you are able to join us next month and learn how to tell your FCS story!
